# Contra Swing Shift

SETH TEPFER – caller

Seth Tepfer is "Atlanta's Dance Magician," calling dances for adults and children like you've never seen before. Known for his infectious energy, his short walk-thru's, and his 'hash-contras', Seth's warm enthusiasm is contagious, and gets everyone moving, smiling, and having a great time. Whether squares, contras, or other folk dances, you can be certain that all involved - novices and experienced dancers alike - will amble away happy and eager to dance more!

EUPHOR – the band

Original and traditional American string band dance music performed with fiddle, banjo, guitar, and bass. Euphor plays an original style of string band music, based in old-time, but emphasizing original compositions. Euphor has built a solid reputation over the last 10 years in the mid-west and southeast for its driving as well as trance-producing contra dance music.

No advanced registration is required or even possible.
