Swing Shift Dance

*the swing dance edition

Barbara Groh - the caller
Barbara Groh hails from the hot music mecca of Asheville N.C. Barbara is passionate about calling and sharing the joy of Contra in venues all over the East Coast

Mean Lids-- the Band
Ben Smith, Matt Turino, Miriam Larson!
Only as mean as they need to be to keep the grit in their tones and the edge on their tunes, they are never seen without their signature cranial apparel. Spot them by their hats, their long lonesome sounds, and the @$$ kicking "chin-cello" grooves emanating from their mean, mean fiddle fingers

No advance registration is required or even possible. Housing is on your own.
